

2008 is the year to come to Quaywest!

Last year many different groups splashed down the slides including pupils on activities week, brownies, scouts, boy's brigade, large family outings and many more! Quaywest appeals to various visitors that are looking for a fun day out. With eight slides, a swimming pool, two toddlers pools and the glorious location which is a stones throw from the beach, what better day out is there in the Bay!

Two great discounted packages are available for groups of fifteen or more.

Fun Day: All day Waterpark Admission for only £5.95 per person

Wet and Wild: All Day Waterpark Admission, a go Kart ride and a BBQ meal for the splashing price of £11.95 per person.

Health and Safety is the first thing that springs to mind when taking a group anywhere so we have made it easy with a full risk assessment at the ready to e-mail to you and NPLQ (national pool lifeguard qualification) lifeguards manning the slides. We appreciate you have to consider your own staffing levels therefore 1 accompanying adult for every 10 people paying is free!

To allow your tickets to reach you in time and to get the great rates offered we must receive payment 21 days in advance of the date of visit, we do not allow payment after the visit. If you are unable to get the payment to us 21 days in advance, a pay on the day rate of £6.95 is available for the Fun Day package only.

So don't delay as groups bookings are getting increasingly popular, we start taking bookings in January 2008. Quaywest is open 24th May until 3rd September 2008.

So get more for your money and jump the queue at Quaywest by filling out the group bookings form attached and sending it back as soon as possible. If you have any further questions or queries do not hesitate to contact Quaywest and ask for the group bookings department. Please remember to read both sides of the forms and write clearly, making sure there is a contact telephone number that we can reach the organiser on.

Kind Regards
